**Perquimans County "Fields of Faith,"** sponsored by PCHS FCA, is tonight, October 20th at 5 PM at the High School Athletic Complex. Pastor Trey Rogers will be the featured speaker. RHBC's VSM will attend. Transportation provided.

The Partners in Christ SS Class is sponsoring a **Coat, Sweater, Sock, and Sleeping Bag Drive** for those impacted by Hurricane Helene in western NC. Coats and sweaters may be new, or slightly used and laundered. Socks should be new. Sleeping bags should be in good condition. Donations will be received through Sunday, October 20 and can be dropped off in the Foyer of the Multi-Purpose Building. It will be helpful if coats and sweaters are tagged with its size and placed on a wire hanger. A coat rack is in the Foyer. After October 20, items will be packaged and delivered to an appropriate location. Thank you in advance for your support of the victims of this devastating storm.

*"And the King will answer and say to them, 'Assuredly, I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me."* *Matthew 25:40 (NKJV)*

**From the Nominating Committee:**

In preparation for the Quarterly Church Conference on October 30, the following documents are available for review in the vestibule:

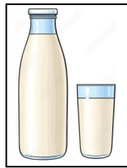

1. **A list of members agreeing to fill some remaining vacancies in the 2024-25 Organizational Directory; and**
2. **Copies of a Committee description for a proposed Red Cross Blood Drive Committee.**

Both items will be considered for Church approval on October 30.
Thank you for your review and prayerful consideration of these items!

**Chase Bateman Memorial Blood Drive**
**Tuesday, November 19th**
**1:00 - 6:00 PM in the Multi-Purpose Building**

How do natural disasters affect our blood supply? North Carolina is still reeling after Hurricane Helene struck the Florida Gulf Coast and proceeded north wreaking havoc on multiple states including the western part of our state. Wind was not as much of a factor as the deluge of rain in our mountains, creating historical flooding and mudslides. Most injuries and deaths normally occur after the storm passes, but this one was different. Whole towns, including hospitals, were quickly washed away or destroyed and many people drowned. This area of NC will need us for years to come. There will be no blood drives there because they are just trying to survive. Injuries will occur as they rescue and rebuild. The need for blood doesn't go away. Think of western NC when our blood drive comes on November 19th. THEY NEED US! Visit redcrossblood.org and enter RHBC to make your appointment. Call me if you want to volunteer or need help scheduling your donation. ~ Rhonda Bass (252) 337-5766
