FALL REVIVAL WITH REV. KEITH NUCKOLLS
Join us on October 4th – 7th for Fall Revival. Our Guest Speaker will be Rev. Keith Nuckolls, Pastor of Meadow Grove Baptist Church in Hayesville, NC. On Sunday morning, Revival begins at 11:00 Worship. Sunday night's fellowship begins with a covered dish meal at 5 PM, followed by Revival at 6 PM. Monday – Wednesday night fellowship begins with a covered dish meal at 6 PM, followed by Revival at 7 PM. There will be special music each night, as well. Make plans now to attend!

JOIN THE CHOIR FOR OUR CHRISTMAS MUSICAL! Any youth or adult who would like to sing in our Christmas Musical is welcome to join us! We will begin practicing for this special program on Wednesday, October 14th. The Musical is entitled, ***"Hope in a Manger."***

Our Bereavement Committee needs more volunteers to help provide food for our funerals, assist with serving the meals, and with set-up and take-down. This includes both men and women who can assist in any way. We currently have 4 teams, but the numbers are getting smaller. This is an important ministry for our church by helping meet the spiritual and physical needs of the family when a death occurs. We have noticed how a meal helps bring a family together in a time of need. We appreciate anyone who is willing to help. Thank you!

From Property & Grounds:

Thermostats – Thermostats in the church are programed with the goal of preventing HVAC systems from running in areas that are not occupied, as well as providing temperature comfort for all persons. The units are programed to cycle on and off during different periods of the day dependent on "usual" occupancy. There are times that an area (for example, the Special Function Room) will be used in an other-than-normal schedule. At these times, it is understood that the temperature settings will need adjusting, which is absolutely fine. The key is to return the thermostat(s) back to their found setting at the end of room usage. Please do not press **"Permanent Hold"** on any thermostat when adjusting. Additionally, we all must be considerate of each other -- some are cold natured and some are hot natured. The established thermostat settings aim to be considerate of each. If you find that an area is too cold or too hot, please notify Property & Grounds and they will address the concern. Please allow the programing to work and do not adjust it. If you need assistance in adjusting temperatures in an area, please contact Property and Grounds. Thank you.

Copy Machine Copies - Over the past year, we have experienced a significant increase in costs associated with copies made with our "color" copier. You may not be aware that the copier contract is based on the number of copies made, as well as if the copies use black ink or color inks. Color copies are billed at a rate 6-times that of black only. Any amount of color on a page makes the copy a color copy, whether it's one word or one letter. Just the title on the page in color yields a color copy! If there is something on a page the needs highlighting, consider the usage of **Bold**, Underscore, Double Underscore, "Quotation Marks," or other ways to prevent it from being considered a color copy. Or simply request colored copy paper to make something stand out! The church office stocks several reams of colored copy paper in several colors for this purpose. However, if color copies are needed, then color copies will be provided. This information is for your awareness and consideration. Please make note of this when requesting color copies. Thank you.

Cache` Hapner
Candidate for Director of Family & Children's Ministries

Cache` Hapner, Ed.D., is an educator, mentor, community volunteer, and retired U.S. Navy Chief Petty Officer with more than 20 years of experience developing people, building teams, teaching, and serving communities. She holds a Doctor of Education in Organizational Leadership. Currently, she teaches at College of the Albemarle, where she develops curriculum, mentors students, and works with community and industry partners to expand educational opportunities. During her Navy career, Cache` served in various leadership positions, including Instructor and Senior Training Leader.

Service has been a consistent part of Cache`'s life. Her experience includes Drug Education for Youth (DEFY), leading volunteers in school programs and improvement projects, teaching in a GED program, supporting senior citizens and homeless veterans, and numerous community-service initiatives. Her sustained volunteer service earned two Military Outstanding Volunteer Service Medals, as well as Navy League and Congressional Recognition.

Most importantly, Cache` is grateful for her beautiful family. She and her husband, Dan — who is the Deputy Director of Submarine Communication Systems for VTG Defense — have three children and are still raising their two youngest, Delilah and Dylan, and their family has enjoyed becoming part of the Rocky Hock Church community. Cache` has served through Vacation Bible School, Hand Bells, and other church service opportunities. Raised in the Baptist church, she accepted Jesus Christ as her Lord and Savior at age 13, and her faith has remained foundational throughout her life of family, service, teaching, and leadership.

Cache` is passionate about partnering with fellow church members, parents, and families to help children know Jesus Christ, understand His love and saving grace, grow as His disciples, and feel safe, loved, included, and rooted in their church family.
