I LOVE AMERICA is a patriotic musical written by John W. Peterson and Don Wyrtzen in three sections.

The first section, Patriotism for America, relates our love for this land and recounts some of its history.

The second section, Praise for America, is a musical tribute to our country and its flag.

The final and third section, Prayer for America, presents a plea for the future of our country----that the United States of America will turn back to its spiritual foundations and to the living God of the universe.

If you haven't heard, our combined adult and youth choirs presented this musical, "I LOVE AMERICA," in 1976 for America's Bicentennial. Over a year ago, a few of us were talking and thought, wouldn't it be great to do this again as our 250th celebration of America! So, those thoughts became plans and here we are! It is amazing that the lyrics of these songs still apply to us as Citizens and Christians, just as they did 50 years ago.

I would like to personally thank each and every person who has supported and contributed to the events of today. From our Creative Ministries team for decorating our facilities to our Social Committee for heading up our meal that follows the service, I say THANK YOU! To our amazing choir, THANK YOU! To our special guests in the choir, THANK YOU! To our narrators, THANK YOU! To our local Scout troop for presenting the Colors, THANK YOU! To our sound and video team, THANK YOU! All of you have worked really hard and it shows! Above all, thanks be to God, our Lord and Savior, for giving us the talents and opportunity to sing HIS praises!

It has been my pleasure leading this group in preparation for today. It is an honor to stand in the same pulpit leading the same musical about our great country that my daddy, Jack Evans, did 50 years ago.

I LOVE AMERICA!
